 ChestervillePublicSchool

Upcoming Events:

January 3rd: Return to School

Important Reminders:

****Public Health Guidelines require everyone on school property to wear masks.**** Please remember to wear yours properly when entering school grounds to keep everyone safe.

****2:00 p.m. is the cut off to advise the office of daily dismissal changes.****

The end of the school day is very busy and we cannot guarantee late calls will be answered or messages retrieved before dismissal. Students scheduled for pick up will remain with their cohorts until you arrive.

Please label all your child's clothing and personal items! To eliminate unnecessary touch points, we do not have a lost and found bin. If items are labelled, we can return them to their owner.

The Covid School Screening Tool (<https://covid-19.ontario.ca/school-screening/>) **must** be completed every morning to determine if students are symptom-free and well enough to attend school.

****PLEASE NOTE:** If a child does not pass the screener, siblings & other people in the home who are not fully vaccinated must stay home until the student showing symptoms tests negative, or is cleared by your local public health unit, or is diagnosed with another illness.

Thank you for keeping our population safe!
