The Covid School Screening Tool (<https://covid-19.ontario.ca/school-screening/>) **must** be completed every morning to determine if students are symptom-free and well enough to attend school.

****PLEASE NOTE:** If a child does not pass the screener, all members of their household **regardless of vaccination status** must stay home and isolate for the number of days indicated on the updated January 6th, 2022 COVID-19 school screening tool. Note: Household symptoms must be improving for the specified isolation period plus 24 hours (or 48 hours after nausea, vomiting and/or diarrhea symptoms), whichever is longest.

Thank you for curbing the spread and keeping our population safe!
