The Covid School Screening Tool (<https://covid-19.ontario.ca/school-screening/>) **must** be completed every morning to determine if students are symptom-free and well enough to attend school. **Anyone who is sick or has any symptoms of illness, including those NOT listed in the screening tool, should stay home and seek assessment from their health care provider if needed.**

If you had Covid or tested positive & return to school following isolation, the screener indicates that you 'continue to wear a well-fitted mask in all public settings, including school for days 6 to 10 inclusive.'

If you have questions, contact the Eastern Ontario Health Unit (EOHU) at 1-800-267-7120, and press 5.

Thank you for keeping our population safe!
